

Winter 2009 Registration

The Utah Certified Public Manager® Program

increases the professional performance of current and future government managers. Certified Public Manager® is a professional designation granted by nationally accredited programs in state and federal governments. The Utah CPM program focuses on competencies and learning outcomes. Completion of all three courses is required to earn the designation of Certified Public Manager®.

Winter classes begin the week of January 5th. Classes are 8 hours in length, one day each week throughout the term. Work with your supervisor to determine which class time will best support other work duties. Fee is \$650 per course.

Please register early as class sizes are limited. Registration deadline is December 19th

Attendees must read the Utah CPM Handbook and become familiar with the Policies and Procedures section prior to the beginning of classes. Click [here](#) to access this handbook, or go to www.cpm.utah.gov and click on the CPM Handbook link.
